## What is it?

In a joint effort with United Way of Greater Los Angeles, **Southern California Edison's Energy Assistance Fund** offers one-time electricity bill grants up to \$200 every twelve months for eligible applicants.

The **SoCalGas® company's seasonal Gas Assistance Fund** also offers one-time natural gas bill grants up to \$100 for qualifying applicants on a first-come, first-served basis between January and May or until funds are depleted.

## How can I apply?

Applicants must be :

- Current Southern California Edison or SoCalGas customers
- Must not have received EAF in the last 12 months or GAF within the season
- Must fall within the CARE Income Guidelines

If you'd like to learn more of whether you qualify or if you want to apply for utility assistance, check out the list of agencies providing gas and energy funds to L.A. County residents on behalf of this program in 2022-2023, and contact the agency serving your area.

This agency is a participating partner agency that provides utility assistance. Please contact for appointments:
